

Health, Safety, Environmental & Quality Policy

SDMS is committed to meeting its Health, Safety, and Environmental & Quality responsibilities related to all our activities, services, and employees. To this end we are committed;

- To Safely Implement and Maintain U.S. Navy Diving and International Standards.
- To Comply with International Training and Assessment Requirements.
- Provide information, education and services to all employees, customers and contractors in our facilities to enable them to conduct in a safe, healthy and environmentally responsible manner.
- Minimize the negative impact of our activities on the environment.
- Provide appropriate emergency response services for our activities and employees.
- Comply with health, safety and environmental laws and regulations regarding our activities and employees.
- Ensure customer satisfaction by continual improvement in all our activities.
